

13<sup>th</sup> May 2021

Dear Parent/Carer,

Parents evening consultations will take place next week with the bookings that you have made on Wisepay. Bookings will close tomorrow and there are still some available. This will be a phone call to your 1<sup>st</sup> contact on Wisepay for a maximum time of 10 minutes, if you have updated your phone details lately, please inform the office as soon as possible.

The Government have updated school guidance from May 16<sup>th</sup>. This guidance does not change anything we are doing in school and it is still important to follow the current rules we have set out:

- When on site children from all Infant classes should be with their parent on both arrival and leaving school;
- Masks should be worn and social distancing to continue.
- Bubbles and staggered start and finish times will continue for the current time.

This week, children in Year 3 and 4 should have brought home a leaflet regarding Magical Maths Club which will start in June. Please book this online through Magical Maths. Year 6 parents please complete your form for leavers hoodies as the order needs to be returned to the suppliers by the 24<sup>th</sup> May. If you have any issues, please email the office.

On the 26<sup>th</sup> May at 6 p.m. we will be holding a TEAMS meeting regarding the residential trip to Hilltop 2021. It is very important that Year 6 parents attend this, and children are welcome to be present for this meeting. Invites will be text out as well as through the children's TEAMS accounts.

### **RACE FOR LIFE – 28<sup>th</sup> May 2021**

The pupils and staff at St. Andrew's have together decided to join with thousands of schools across the country in supporting Cancer Research UK by holding our very own, "Race for Life". Our event will take place on **FRIDAY 28<sup>th</sup> May** where all children will run 3K. We would like all children to come to school on this day dressed in colourful sportswear! Due to COVID restrictions will not be opening this event up to any spectators but will keep you all updated via Twitter and our school webpage.

Many of our families, friends and wonderful colleagues have been affected by Cancer and therefore we would like to show our solidarity, support and love by helping to raise money for such a worthy cause. If you would like to sponsor any pupil in school, or sponsor our collective efforts as a whole, please visit our Just Giving Page <https://fundraise.cancerresearchuk.org/page/leasingham-st-andrews>

We look forward to training for the event in our PE lessons over the coming weeks, and keeping you updated via posts on TWITTER and our WEBPAGE. We thank you for your support with this event.

Yours sincerely

Mr D W Hodgson
