End of Year Expectations for Year 1

This booklet provides information for parents and carers on the end of year expectations for children in our school. The staff have identified these expectations as being the minimum requirements your child must meet in order to ensure continued progress throughout the year.

All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued.

If you have any queries regarding the content of this booklet or want support in knowing how best to help your child, please talk to your child's teacher.

These are also available on the school website with an overview of skills from Foundation to Year 6 to see your child's progression. To find these log on to <http://www.st-andrews.lincs.sch.uk> then Key Information and Non-Negotiables Learning.
