

School Council Meeting

Date: Tuesday 8th October

Time: 12.00 noon

Location: ICT Suite

In Attendance: School council members, Mrs Shirra

Apologies: None

Introductions: All the children gave their names, class and shared why they wanted to be in school council. Photos taken of each year group.

Looking ahead: The school council members will be asking classes what they think is needed to be purchased at school – ideas could be pitched to PTFA for funding.

The school council still felt that safety was an issue at school and it was agreed that we would discuss it further next session and have a walk around school for ideas if necessary. They also would remind classes of safety rules and ask classes for new ideas.

Play leaders: School council members agreed that they would like the Play Leaders to remain as volunteer Y5 children- 4 per day. They suggested games such as football, cricket and table-tennis to be timetabled and monitored by the Play Leaders. Y5 school council members to organise this. Some other ideas were suggested to be run at lunchtimes by play leaders: sports activities, obstacle course and flash-dances. It was also suggested that Y5 Play Leaders be responsible for bringing out pens for outside whiteboards and football pumps.

Children in Need: The school council agreed they would like to support this charity again this year. They agreed that they would like to sell accessories that could be worn with school uniform- they voted for headbands and keyrings. Y6's volunteered to sell at break-times.

Date of Next Meeting: Tuesday 5th November
