

Friday 24th May

Dear Parents/Carers,

A letter from the School Council.

We have been working very hard recently thinking of ways to help other places around the world. We came across a charity ran by Steve Backshall called 'Operation Ocelot'. The charity allows schools to buy part of Brazil's Atlantic Forest to protect animals and reduce deforestation. The way to do this is by measuring the school grounds, this calculates how much money we would need to raise so we can buy the equivalent measurement of school in the Atlantic Forest. After that, we fundraise and then donate!

As we like the school to work together, we would like to inform you of a cake sale we are holding on the 7th of June to raise money for the Operation Ocelot charity. We would appreciate any donations possible please! We will be selling cakes for 50p.

Thank you in advance for your support.

Yours sincerely

School Council.
