

22<sup>nd</sup> October 2020

Dear Parent/Carer

As we close for half term I would like to thank you for your support of St. Andrew's in following our guidelines for school. We have been very fortunate to have had a term with no positive cases in school and the children have stayed fit and healthy. The measures and timings for the school day will continue as this term. One area where things may have changed is PE kit days which have been text out and are available on the school newsletter page. Lunches will continue as they have this term with a packed lunch provided for all those children entitled to a lunch.

Teachers have now completed all phone consultations which were booked and again thank for the lots of positive comments within these. I would like to publicly thank all the staff of St Andrew's this term who have worked tirelessly for the children in our care. They have worked incredibly hard under very difficult circumstances to deliver a happy, safe environment with lots of learning opportunities for the children to experience.

Finally, please have a safe half term and continue to support the guidelines in and around the school. We look forward to seeing the children on November 2<sup>nd</sup> ready to carry on their learning journey.

Yours sincerely

Mr D W Hodgson
