

Dear Parent/Carer

I am writing to update you on school and future events.

Firstly, next week we will be celebrating Harvest with an in-school Harvest Assembly using TEAMS so all the classes can be together. As part of this, we will be collecting for the Sleaford Food Larder. On the bottom of the letter is a list of items they would request. We will leave a trolley at both gates on Friday morning to put any donations. The donations will then be quarantined and picked up by the food larder 72 hours later. Thank you.

Tonight the children from Year 1 to Year 6 will be bringing home a login card for all the online learning they use. This is to be kept at home for if and when your child is off either isolating or in the event of a local lockdown. It can also be used to help to log in for homework. Please keep it in a safe place. We are also developing TEAMS learning so please check your login if you have not already and read through the Meet n Greet slides. This may become a vitally important platform for learning as we go through the winter.

We are currently planning parent consultations and in due course will give you more details regarding a phone appointment before the end of this half term. Regarding visits for children starting in September 2021 will be holding an event at the start of November to allow getting a taste of school life. Again we are currently looking at how to make this COVID secure.

Finally, as we start to move into Autumns please make sure your child has a coat in school every day and you may want to review what PE kit children are wearing to keep warm as the temperature starts to decline.

*Please help local people in crisis
by donating something from the
list;*
