

Thursday 11<sup>th</sup> March 2021

Dear Parent/Carer

The children have made a fantastic start back at school and have been so resilient. It has been wonderful to watch them enjoy their friends, teachers and school. We will continue to keep a balance of learning, social skills, and well-being over the remainder of the time this term. The children have already really impressed us with their maturity and progress in all areas.

May I remind you, that if you are on school grounds please socially distance and wait on the appropriate arrow both at pick up and drop off times. Please always keep your child by your side when on the school site. I appreciate parking is at a premium but I feel it is important to stress a few key points:

- The pub car park must not be used and is out of bounds.
- As always, yellow lines and zig zags should not be parked on.
- At no time should any cars be dropping off by the main entrance or turning round in this area.

I must reiterate that the Village Hall is the safest place to park and not on corners or bends at either end of Lincoln Road. We must look after each other and take care of all our community both at the start and end of the school day. So please think about where you park and where you stand. Thank you for your support.

On Friday 19<sup>th</sup> it is Red Nose Day and as a school, we will be taking part in raising money for this great charity. We will have a non-uniform day with the theme of red and any Red Nose Day Accessories. There will be a voluntary donation of £1 to do this. Also, there will be a joke competition with the best ones published on Twitter (more details to follow).

Yours sincerely

Mr D W Hodgson
