

6th July 2021

Dear Parent/Carer

We have decided to have an internal Sport day with the whole school tomorrow. This will be a mix of traditional races with each year group taking part in a range of activities.

This will be COVID secure and the children will run in their groups within their bubbles. Due to current restrictions we are sadly unable to invite parents to come and watch. We will try to take as many photos as we can and put them on the school Twitter Feed and website after the event.

The children will all need to come in PE kit and make sure they have a water bottle.

I am deeply disappointed that this cannot be a community event, but I am sure the children will have an enjoyable experience, nonetheless. I apologise for the short notice but with potential COVID disruption and weather it needs to be this way. Thank you for your support

Yours sincerely

Mr D W Hodgson
