

Dear parents/carers

Firstly, I would like to thank you all for your support during this difficult time. The children have shown an incredible amount of resilience to remain focussed on their learning. However, as many of the children are working independently, I feel that it is appropriate to inform you of what the daily itinerary looks like in Year 6, so it would allow you the opportunity to check to see if your child has completed any work that has been set for that day. Additionally, I understand the difficulties with working at home, while ensuring your child is on task with their learning. Therefore, if there are any difficulties or concerns, please do not hesitate to contact me via the TEAMS app.

I would also like to inform you of the time slots I am available to support with Maths and English live on TEAMS. This is for the children who would feel more confident and engaged working with me. Also, I have included any whole class TEAMS meetings that are scheduled on the calendar.
