

Dear parents and carers,

We write to you today with a top-secret St Andrew's mission, and we would be really grateful if you could help!

Next week, our brilliant staff team will begin preparing the school for the festive period, to try to make this very unique December as warm, and as Christmassy, and as jolly as ever for our children, despite the current very difficult climate that we all find ourselves in this year. They will be trimming the halls, decorating trees and doing their utmost over the coming weeks too, to ensure that their bubbles are buzzing with festivities and cheer, to make this time of the year as special as possible for our children - not even Coronavirus can dampen our Christmas spirit!

With this in mind, we would really like to give our wonderful staff team a little surprise boost of Christmas cheer too, by creating a wall of thanks and joy for them to read and enjoy...and this is where we need your help!

If you could write a little message of support, hope or thanks to the staff, then we will display every single message received on our special wall, which will be unveiled to staff when it's complete! It could be a message to a particular person, a group of people, or staff as a whole. It could be a message of thanks, hope or solidarity. It could be a message, a poem, a personal mantra, an inspirational quote or a line from a scripture - whatever you like! You may like to sign your name, or leave it anonymous, the choice is yours!

You can help us to create this very special wall by emailing your message by Sunday 27th November....but remember, it's a secret surprise that staff don't know anything about!

Thank you so much in advance for taking a few minutes of your time to help with this special request, as we know this will mean such a lot to our team in these challenging times.

Kindest regards,  
Mr Hodgson
