

6th January 2023

Dear Parent/Carer

We have been back to school for three days and the children have been very settled both in the classroom and out on the playground.

Across the school, staffing remains the same, but we are pleased to see Mrs Edwards is back full-time in Year 3 and Mrs Shirra will be working across classes for two days a week until half term. She will also spend time in Year 1 getting to know the children for when Mrs Curt goes off on maternity leave.

Enclosed is a dates sheet with events for this half term and also at the bottom some key dates until the end of the school year. Further information about these events will be sent out nearer the time.

As we start a new term we do continue to have illnesses in school and also Covid.

What happens if a staff member or my child tests positive for COVID-19?

For children and young people aged eighteen and under who test positive for COVID-19, the advice is to try to stay at home and avoid contact with other people for three days. This is because children and young people tend to be infectious to other people for less time than adults.

Adults with a positive COVID-19 test result are advised to try to stay at home and avoid contact with other people for five days, which is when they are most infectious.

We would also advise a negative test before returning to school for both children and adults.

A reminder that 15th January is the last date for applications for Reception starters in September 2023. If you have not applied yet then you may by logging onto

<https://www.lincolnshire.gov.uk/school-admissions/apply-school-place>

Yours sincerely

Mr D W Hodgson

Spring Term 1-2023
