

28th April 2022

Dear Parent/Carer

The children have settled well into the summer term and enjoying their new topics. Information about these is on the class pages on the website and will be linked on our Twitter page shortly.

Enclosed with this letter is a date sheet of events for this term. They range from class assessments to PTFA events in school.

Year 6 will have their end of Key Stage 2 assessments on the week of **9th of May**. Year 2 will also start their assessments that week, but these will be more discrete and completed over three weeks so as not to overload the children. Please make sure that as much as possible the children are in school for these and for any other reason there are not, please let us know. Also, Year 1 will have a phonics check on the week of the 6th of June again important they are in school for these assessments. Finally, Year 4 will have a multiplication check on the week beginning 20th June.

The PTFA are holding two events this term with an adult quiz and a camping out night for families on the **20th of May**, details will be sent out through text.

On the **27th May** we will be holding a special day for the children to celebrate the Queen's Platinum Birthday with a whole school lunch and afternoon event. More information nearer the time. To support this Leasingham Parish Council will purchase commemorative medals for each child as a special gift to remember the day. A very kind gesture to our school.

As the weather gets better, we have more children arriving on scooters and bikes which is lovely to promote being active. However, it is important for all our safety that these are not ridden around in the school grounds at the start or end of the day and children are wearing appropriate protective equipment. Thank you for your assistance with this.

Yours sincerely

Mr D W Hodgson
