

28th October 2023

Dear Parent/Carer

I am writing to update you regarding the current situation with the school after the total flooding of the building on Friday 20th October. **The school will be open as normal on Monday 30th October for all children.** The school was badly flooded and has both short-term and long-term damage to it. The short-term issues have been dealt with through community, staff and commercial companies who have cleaned, sanitised and dried the whole building inside and out. This first phase is almost complete however dehumidifiers and fans are still being used before and after school each day for the next week.

Long term we may have to make further repairs to the building and are working with the insurance company regarding this. I will keep you informed. Finally, again to say thank you for all the support in school and other ways. It has been heartwarming, and I believe has made a big difference in getting the school ready to open on Monday. We couldn't have done without a team effort from all.

With this letter, I have also attached the updated PE timetable for this half term. **PE sessions will start from Monday and clubs will continue as the last term from Monday.**

I have also attached a flyer regarding our PTFA which raises money for school and after the last week is as important as ever in helping the school do more for our children. Last year they helped us in subsidising trips, buying in theatre groups and other educational visits. If you have a little time to help and want to find out more, you would be very welcome to come along on Thursday 2nd November at 6 pm in school.

I look forward to our festive term and welcoming you back to school on Monday.

Yours sincerely

Mr D W Hodgson
