

19<sup>th</sup> April 2023

Dear Parent/Carer

The children have settled well into the summer term and enjoying their new topics. Information about these will be emailed out and on class pages shortly.

Enclosed with this letter is a date sheet of events for this term. Year 6 will have its end of Key Stage 2 assessments during the week of the 9<sup>th</sup> of May. Year 2 will also start their assessments from May 2<sup>nd</sup> but these will be more discrete and done over three weeks so as not to overload the children. Please make sure that as much as possible the children are in school for these and if for any other reason they are not, please let us know. Also, Year 1 will have a phonics check during the week of the 12<sup>th</sup> of June again important they are in school for these assessments. Finally, Year 4 will have a multiplication check week beginning on 19<sup>th</sup> June.

On the 12<sup>th</sup> of May, we will be holding a special afternoon for the children to celebrate the King's Coronation with a whole school picnic and afternoon event with parents invited from 2.15 p.m. More information nearer the time. To support this Leasingham Parish Council will purchase commemorative bookmarks for each child as a special gift to remember the day. A very kind gesture to our school.

As the weather gets better please can we make sure sweatshirts, hoodies and cardigans are named, water bottles are brought to school every day and children who arrive on scooters do not ride around in the school grounds at the start or end of the day. Thank you for your assistance with this

Yours sincerely

Mr D W Hodgson
